

PSAIA Billeting Policy

It is not PSAIA's organizational mission to be in a position to have players billeted. If there is a unique instance where a member will be billeted, the following rules will be contained in a Billet Contract.

- No more than two players should be housed with any one billet family (at the Junior level, there may be exceptions to the number of players permitted in one billet home if approved by the USA Hockey Junior Council).
- All adults living in the household of the billet family shall be screened in accordance with the USA Hockey Screening Policy prior to the player moving in with the family.
- It is strongly recommended that all billet families be two-parent homes. However, single parent billet families may be acceptable, but the organization or team shall take additional reasonable steps to regularly monitor the billeting arrangement and its compliance with the USA Hockey SafeSport Policies.
- All adults living in the household of the billet family shall have completed training in compliance with the Education and Awareness Training Policy prior to the player moving in with the family.
- Billet families and the player and player's parents shall all sign an agreement with the organization and/or team that they will comply with the rules and regulations for the billeting arrangement and the USA Hockey SafeSport Policies.
- Based upon the requirements of the jurisdiction, the player's parents shall sign and provide a power of attorney and/or guardianship (as necessary by applicable state law) to the billet family adults to allow for them to make emergency medical and schooling decisions.
- Each team shall have a billet coordinator who shall be responsible for overseeing compliance with the Billeting Policy and all other USA Hockey SafeSport Policies.
- The team shall have a mandatory curfew for all billeted players. The host family may have an earlier curfew.
- Players shall agree to comply with the house rules of the billet families, including curfews, chores/cleaning, telephone usage, etc. Complaints about unusual rules shall be addressed with the team billet coordinator.
- Players shall not stay overnight at any other home except with the permission of the player's parents and advance notification to the billet family and team billet coordinator.
- Players are not to drive billet family vehicles without automobile liability insurance as required by applicable state law, and documentation and approval of the billet family.
- The organization's/team's billeting policy shall include requirements that the billet family maintain appropriate homeowners/renters insurance.
- Players staying with a billet family shall be permitted to make regular check-in phone calls to parents. Team personnel and billets shall allow for any unscheduled check-in phone calls initiated by either the player or parents.
